

National Beta Club Week, March 7-11, 2016

As part of National Beta Club Week, we have a variety of opportunities that we'd like for Beta Members to be a part of. Think of this as a chance to not only earn hours for your organizations like Beta Club, CAS, NHS, etc., but to also volunteer and give back to your community.

Thank a Spartan Video

- Record February 29 – March 3 during FLEX time in Mrs. Chittaro's room
 - Come and record a brief video blog of you thanking a faculty or staff member for something that they did that made a positive impact on your life. Be serious and authentic.
